MAKING

COLCHESTER

THE BEST PLACE

TO LIVE, WORK AND ENJOY

Labour in Colchester has the vision and determination to achieve a Labour-led Council at the 2022 Local Elections.

Our manifesto sets out what a Labour-led Colchester Borough Council can achieve.

Labour Councillors stand out for their support for the most vulnerable during the pandemic and will continue to do so through the cost of living crisis.

Labour led in recognising the climate emergency, in building new council housing, in opposing outsourcing of services and protecting public services from Conservative funding cuts.

As we rebuild from the pandemic, Labour will put its values at the heart of Colchester's recovery and always be on your side.
